CROSS CULTURAL AWARENESS

Learning a new language also means understanding the cultural context of the words, a new set of cultural norms, that are inexorably intertwined with the language.

Your language training can be enhanced with the CROSS-CULTURAL AWARENESS PACKAGE developed by CONtext. We recommend this package for those who are planning to live in a Spanish speaking country, as well as for those who manage multi-cultural organizations, or who wish to engage in international politics or business. In this course, you will receive basic instruction to heighten awareness about cultural differences so as to avoid any cultural faux pas

COURSE FEES

\$ 340 Pesos / hour. The hourly rate is valid for classes for one to six participants. It includes the transportation costs of the instructor inside the Mexico City metropolitan area (Santa Fé, Bosques de las Lomas, Polanco, Centro Historico,...).

The fees above DO NOT include the 15% sales tax (IVA).

Besides Spanish, Anders Languages also organizes English, German, French, Dutch, Portuguese, Chinese and Japanese classes.
